Take a deep breath, and remember the high school dance and try to remember what it was. Anyone who was a teenager probably remembers clumsy slow dancing, new tank-tops from the mall, and screaming along with every word of pop radio hits. Songs from the late 90s and early 2000s may seem like a distant memory now, but at the time many of them were iconic. Looking back on the era, there are definitely some song songs you completely forgot existed until now. Every once and for a while one of these songs will be played, in a clothing store or on the radio or on an ironic playlist party, and these words will bring you back to that high school audience. Several genres flourished in the late 90s and early aughts, and both decades were a period of growth for alt-rock, rap and hip-hop, and pop music. While some of the more popular songs don't exactly invent genres or experiment in new ways, they are definitely fun. Whether it's Anna Nalik's soft rock or one of Enrique Inglesias's slow-dance brackets, you may have forgotten some of these tunes. There is no time like the present to re-listen and remember those texts that, for better or worse, shaped your teenage years. 1S too late - JoJoLong before Taylor Swift said she would never return with her ex, JoJo was penning pop-up breakup hits. Every seventh grader has definitely listened to this after the high school breaks up, which everyone knows means no more sitting together in a cafeteria or a group date at a movie. It was hard then. Memorable lyrics: I'm going to say it now / Your chance has come and gone / And you know / It's just too little, too late / And I can't wait2 Just a girl - Click FiveAtlantic Records on YouTubeIf you forgot the love interest of the main character in this song runs on 100 proof of relationship power. So after all these years, it is still fast-paced. Memorable lyrics: Because it's bittersweet / It knocks me off my feet / And I can't help it / I don't want anyone else to close the time - SemisonicIf this one hit wonder doesn't instantly ring the bell, it'll come back to you as soon as the piano notes play. It's everywhere, from movie opening credits to the backdrop of your favorite 2000s TV show, and even now it's a tough song to run. Memorable lyrics: Closing time / Turn lights up over every boy and every girl / Closing time / Last call for alcohol so finish or beer / Closing time / You don't have to go home but you can't stay here / I know who I want to take me to Girls Don't Cry - FergieThis song, which was one of Fergie's first tracks after Black Eyed Peas, was a slow dance staple. Also, can we talk about that absolute nostalgia-festival is a video? Placing product candies! Fake Milo Ventimiglia Tattoos! What a time it was in 2006. Memorable lyrics: And I'll miss you as a kid misses their blanket / But I have to get moving on with my life / It's time to be a big girl now / And the big girls don't cry5I Gotta Feeling - Black Eyed PeasBlackEyedPeasPevEVO on YouTubeSpeaking Fergie, who could forget this super hit Black Eyed? Back in 2009 it was the number one song to get you pumped up for the night, and if you're not tired of it by the end of the year, now is the time to bring it back. Memorable lyrics: The feeling, woohoo, that today will be a good night / That today will be a good, good night6Thim will be me - NSYNCDDepending, on which the great boy band of the 2000s was your favorite, there may have been a time in your childhood where you knew every word. Although Bye Bye Bye may be the band's most famous track, for true fans, this song was just as important. Memorable Lyrics: Baby When You Finally / Get to Love Someone / Guess That / It will be me 7Ruco in my pocket - Alanis MorissetteAlanis Morissette on YouTubeIt is a shame that most of Alanis's songs are being relegated to background music; It's time to bust these for belt purposes. It's hard to pick the singer most to sing along a decent track, but it's definitely there. Memorable lyrics: I GOT ONE HAND IN MY POCKET, THE OTHER IS GIVING A HIGH FEEEE-III-VVVVEE8Breathe (2am) - Anna Nalik Confesses - this song still makes you emotional in 2017. Hit ballad Nalik stuck around for a reason as she intertwined several sad stories and brings them to a hearty chorus. Memorable texts: Because you can't jump the track, we like cars on cable / And life is like an hourglass, glued to the table / No one can find the rewind button, girl / So cradle your head in your hands/ breathe ... Just Breathing / On Breathing, Just Breathe 9Heroy - Enrique Inglesias EnriqueInglesiasVEVO on YouTubeThis song played on every dance and other school activities that I went to high school and high school. So many clumsy slow dances have been shared with this song. I don't know if I'll ever forget the lyrics, but maybe you did. Memorable lyrics: I can be your child here / I can kiss in pain / I'll stand next to you foreverWhen do you think Augustan will ever find where they are going?
